#### Verse 1

Well she says it's cold outside and she hands me my raincoat  
 And she's always worried 'bout things like that  
 She says it's all gonna end and it might as well be my fault  
 She only sleeps when it's raining, and she screams, and her voice is strainin'

#### Chorus

And she says Baby Well it's 3 am and I must be lonely She says Baby  
 Well I can't help but be scared of it all sometimes, says the rain's gonna wash away I believe it

#### Verse 2

She's got a little bit of something, God it's better than nothing  
 And in her colour portrait world she believes that she's got it all  
 She swears the moon don't hang quite as close as it used to  
 And she always sleeps when it's raining, and she screams, and her voice is strainin'

#### Chorus

And she says Baby Well it's 3 am and I must be lonely She says Baby  
 Well I can't help but be scared of it all sometimes, says the rain's gonna wash away I believe it

#### Verse 3

She believes that life is made up of all that you're used to  
 And the clock on the wall has been stuck at three for days, and days  
 She thinks that happiness is a mat that sits on her doorway  
 But outside it's stopped raining

#### Chorus

And she says Baby Well it's 3 am and I must be lonely She says Baby  
 Well I can't help but be scared of it all sometimes, says the rain's gonna wash away I believe it
