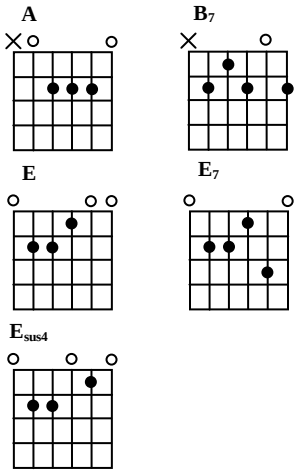
Intro **E** **E_{sus4}** **(repeat 4 times)**



Verse 1

E **B_7** **E**
Just like the sun over the mountain tops
A **E**
You know I'll always come again
A **E**
You know I love to spend my mornings
B_7 **E**
Like sunlight dancing on your skin

Verse 2

E **B_7** **E**
I've never gone so wrong as for telling lies to you
A **E**
What you see is what I am
A **E**
There is nothing I could hide from you
B_7 **E**
You see me better than I can

Chorus

A **E** **E_7**
Out on the road that lies before me now
A **E** **E_7**
There are some turns where I will spin
A **E**
I only hope that you can hold me now
B_7 **E**
'Til I can gain control again

Instrumental Verse

Verse 3

E **B_7** **E**
And like a lighthouse, you must stand alone

And mark a safe journey's end

No matter what sea I've been sailing on

I'll always come back home again

Chorus

A **E** **E_7**
Out on the road that lies before me now
A **E** **E_7**
There are some turns where I will spin

I only hope that you can hold me now

'Til I can gain control again
