

ALL I WANNA DO

Author: Heart

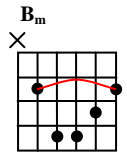

Intro G D Em D
Verse 1

G Bm C G
It was a rainy night when she came into sight Standing by the road, no umbrella, no coat
G Bm C D
So I pulled up alongside and I offered her a ride She accepted with a smile, so we drove for awhile
G Em C
I didn't ask her her name, this lonely girl in the rain Fate tell me it's right, is this love at first sight
D
Please don't make it wrong, just stay for the night

Chorus

G C
All I wanna do is make love to you Say you will, you want me to
G C
All I wanna do is make love to you I've got loving arms to hold on to

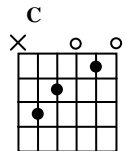

Verse 2

G Bm C G
So we found this hotel, it was a place I knew well We made magic that night, oh she did everything right
G Bm C D
She brought the man in me, so many times, easily And in the morning we woke, all I left her was a note
G Em
I told her I am the flower, you are the seed We walked in the garden, we planted a tree
C D
Don't try to find me, please don't you dare Just live in my memory, you'll always be there

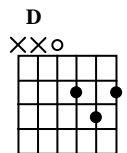

Chorus

G C
All I wanna do is make love to you Say you will, you want me to
G C
All I wanna do is make love to you I've got loving arms to hold on to

Bridge

Em C G
Oooh, we made love, love like strangers All night long, we made love

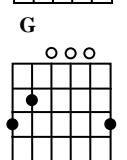

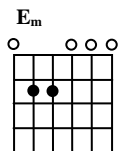

Verse 3

G Bm C G
Then it happened one day, I came 'round the same way You could imagine my surprise when I saw my own eyes
G Em
I said please, please understand, I'm in love with another woman
C D
And what she couldn't give me, oh, who, was the one little thing that you can

All I wanna do is make love to you One night of love was all we knew
Am C
All I wanna do is make love to you Come on say you will, you want me too
Am C
All I wanna do is make love to you One night of love was all we knew
