Babe, tomorrow's so far away    There's something I just have to say

If I tell you tonight           Would you turn out the lights

 G     C/G          G             Em                      Bm
And I feel like today's the day  I'm lookin' for the words to say

<pre>
 E                Bm                                       E
You and I       I know that we can't wait and I swear    I swear it's not a lie, girl

Tomorrow may be too late    You, you and I girl        We could share the night together
     D     C     G/B   Am      C/G    D      D7sus4    G/D      D
It's now or never  And tomorrow may be too late
