

ANGELS WOULD FALL

Artist: Melissa Etheridge

Intro Em C G D Em (4 times)

Verse 1

Em	C	G	D	Em	G	D		
The rope that's wrapped around me	Is cutting through my skin							
Em	C	G	D	Em	G	D		
And the doubts that have surrounded me	Are finding their way in							
Em	C	G	D	Em	C	G	D	Am
I keep it close to me, like a holy man prays	In my desperate hour, it's better, it's better that way							

Pre-Chorus 1

Em	C	G	D	Em	C	G	D
So I'll come by and see you again	I'll be such a very good friend						
Em	C	G	D	D	Am	D	
Have mercy on my soul	I will never let you know	Where my mind has been					

Chorus

Em	C	G	D	Em	C	G	D	
An...gels never came down	There's no one here, they want to hang around							
Em	C	G	D	Em	C	G	D	Am
But if they knew, if they knew you at all	Then one by one, the angels, the angels would fall							

Verse 2

Em	C	G	D	G	D			
I've crept into your temple	I have slept upon your pew							
Em	C	G	D	G	D			
I have dreamed of the divinity	Inside and out of you							
Em	C	G	D	Em	C	G	D	Am
I want it more than truth, I can taste it on my breath	I would give my life just for a little, a little death							

Pre-Chorus 2

Em	C	G	D	Em	C	G	D
So I'll come by and see you again	I'll be just a very good friend						
Em	C	G	D	D	Am	D	
I will not look upon your face	I will not touch upon your grace	Your ecclesiastic skin					

Chorus

Em	C	G	D	Em	C	G	D	
An...gels never came down	There's no one here, they want to hang around							
Em	C	G	D	Em	C	G	D	Am
But if they knew, if they knew you at all	Then one by one, the angels, the angels would fall							

Pre-Chorus 3

Em	C	G	D	Em	C	G	D
So I'll come by and see you again	I'll have to be a very good friend						
Em	C	G	D	D	Am	D	
If I whisper they will know	I'll just turn around and go	You will never know my sin					

Chorus

Em	C	G	D	Em	C	G	D	
An...gels never came down	There's no one here, they want to hang around							
Em	C	G	D	Em	C	G	D	Am
But if they knew, if they knew you at all	Then one by one, the angels, the angels would fall
