

# **ARMS OF THE ANGEL**

Author: Sarah McLachlan

**Intro** C F (2 times)

## **Verse 1**

Spend all your time waiting<sup>D<sub>m</sub></sup> For that second chance<sup>F</sup>  
For a break that will make it OK<sup>C</sup><sup>G</sup>  
There's always some reason<sup>D<sub>m</sub></sup> To feel not good enough<sup>F</sup>  
And it's hard at the end of the day<sup>C</sup><sup>G</sup>  
I need some distraction<sup>D<sub>m</sub></sup> Oh, beautiful release<sup>F</sup>  
Memories seep from my veins<sup>C</sup><sup>G</sup>  
They may be empty<sup>D<sub>m</sub></sup> Oh and weightless and maybe<sup>F</sup>  
I'll find some peace tonight<sup>C</sup><sup>G</sup>

## **Chorus 1**

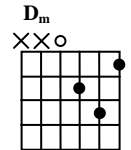

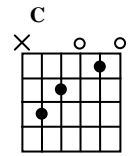

In the arms of the Angel<sup>C</sup> Fly away from here<sup>G</sup>  
From this dark, cold hotel room<sup>D<sub>m</sub></sup> And the endlessness that you fear<sup>C</sup><sup>G</sup>  
You are pulled from the wreckage<sup>C</sup> Of your silent reverie<sup>G</sup>  
You're in the arms of the Angel<sup>D<sub>m</sub></sup> May you find some comfort here<sup>C</sup><sup>G</sup><sup>C</sup>

## **Verse 2**

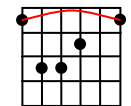

So tired of the straight line<sup>D<sub>m</sub></sup> And everywhere you turn<sup>F</sup>  
There's vultures and thieves at your back<sup>C</sup><sup>G</sup>  
The storm keeps on twisting<sup>D<sub>m</sub></sup> You keep on building the lies<sup>F</sup>  
That you make up for all that you lack<sup>C</sup><sup>G</sup>  
It don't make no difference<sup>D<sub>m</sub></sup> Escaping one last time<sup>F</sup>  
It's easier to believe<sup>C</sup><sup>G</sup>  
In this sweet madness<sup>D<sub>m</sub></sup> Oh this glorious sadness<sup>F</sup>  
That brings me to my knees<sup>C</sup><sup>G</sup>

## **Chorus 2**

In the arms of the Angel<sup>C</sup> Far away from here<sup>G</sup>  
From this dark, cold hotel room<sup>D<sub>m</sub></sup> And the endlessness that you fear<sup>C</sup><sup>G</sup>  
You are pulled from the wreckage<sup>C</sup> Of your silent reverie<sup>G</sup>  
You're in the arms of the Angel<sup>D<sub>m</sub></sup> May you find some comfort here<sup>C</sup><sup>G</sup><sup>C</sup> **Outro** C D<sub>m</sub> F C
