### ***BAD TIMING***

Author: Blue Rodeo

**Intro/Outro**    **D**    **C**    **D**    **G**

#### **Verse 1**

**C**    **C/D**    **C**    **C/D**  
 Hey it's me, what a big surprise  
**C**    **C/D**    **C**    **C/D** **G**    **G<sub>sus4</sub>**    **G**  
 Calling you up from a restaurant 'round the bend  
**C**    **C/D**    **C**    **C/D**  
 Just got in from way up north  
**C**    **C/D**    **C**    **C/D** **G**    **G<sub>sus4</sub>**    **G**  
 Aching tired now, I could use a friend  
**B<sub>m</sub>**    **C**    **D**    **D<sub>2</sub>**    **D**  
 Might be a fool, to think that you do wanna see me again

#### **Verse 2**

**C**    **C/D**    **C**    **C/D**  
 I know its been awhile since I talked with you  
**C**    **C/D**    **C**    **C/D** **G**    **G<sub>sus4</sub>**    **G**  
 Nothing wrong, just nothing ever goes as planned  
**C**    **C/D**    **C**    **C/D**  
 Many times I thought I'd call  
**C**    **C/D**    **C**    **C/D** **G** **G<sub>sus4</sub>**    **G**  
 Didn't have your number in my head  
**B<sub>m</sub>**    **C**    **D** **D<sub>2</sub>**    **D**  
 I know it's true, you'd never do the same thing to me

#### **Chorus**

**D<sub>2</sub>**    **D**    **D<sub>2</sub>**    **G**    **G<sub>sus4</sub>**    **G**  
 I never meant to make you cry  
**G<sub>sus4</sub>**    **G**    **C**    **C/D**    **C**    **C/D**    **C**  
 And though I know I shouldn't call  
**A<sub>m</sub>**  
 It just reminds us of the cost  
**D**  
 Of everything we've lost  
**G**    **G<sub>sus4</sub>**    **G**  
 Bad timing that's all  
**G**    **G<sub>sus4</sub>**    **G**  
 And maybe soon there'll come a day  
**G<sub>sus4</sub>**    **G**    **C**    **C/D**    **C**    **C/D**    **C**  
 When no more tears will fall  
**A<sub>m</sub>**  
 We each forgive a little bit  
**D**  
 Then we both look back on it  
**G**    **G<sub>sus4</sub>**    **G**    **Solo**    **D**    **A**    **D**    **A**    **C<sup>#</sup><sub>m</sub>**    **D**    **E**  
 As just bad timing that's all

#### **Verse 3**

**C**    **C/D**    **C**    **C/D**  
 Used to have so many plans  
**C**    **C/D**    **C**    **C/D** **G**    **G<sub>sus4</sub>**    **G**  
 Something always seemed to turn out wrong  
**C**    **C/D**    **C**    **C/D**  
 Never could catch up with you  
**C**    **C/D**    **C**    **C/D** **G** **G<sub>sus4</sub>**    **G**  
 Movin' on and doing all you've done  
**B<sub>m</sub>**    **C**    **D** **D<sub>2</sub>**    **D**  
 I don't know why, the harder I try, the harder it comes

#### **Chorus**
