

Guitar Repertoire

BED OF ROSES

Author: Bon Jovi

Verse 1

C(B^b) **G(F)**
 Sitting here wasted and wounded at this old piano
C(B^b) **G(F)**
 Trying hard to capture the moment this morning I don't know
D(A_m) **C(B^b)**
 'Cause a bottle of vodka's still lodged in my head
G(F) **C(B^b)**
 And some blond gave me nightmares I think that she's still in my bed
D(C) **G(F)**
 As I dream about movies they won't make of me when I'm dead.

Verse 2

C(B^b) **G(F)**
 With an ironclad fist I wake up and french kiss the morning
C(B^b) **G(F)**
 While some marching band keeps its own beat in my head while we're talking
D(A_m) **C(B^b)** **G(F)**
 About all of the things that I long to believe about love and the truth and what you mean to me
C(B^b) **D(C)** **G(F)**
 And the truth is baby you're all that I need.

Chorus

E_m(D_m) **D(C)** **C(B^b)** **G(F)** **E_m(D_m)** **D(C)** **C(B^b)** **G(F)**
 I want to lay you down in a bed of roses. For tonight I sleep on a bed of nails
C(B^b) **G(F)** **C(B^b)** **G(F)** **E_m(D_m)** **D(C)** **C(B^b)** **G(F)**
 I want to be just as close as the holy ghost is. And lay you down on a bed of roses

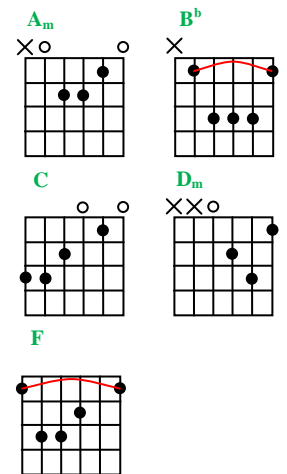

Verse 3

C(B^b) **G(F)**
 Well I'm so far away each step I take's on my way home
C(B^b) **G(F)**
 A king's ransom in dimes I'd give each night to see through this payphone
D(A_m) **C(B^b)** **G(F)**
 Still I run out of time and it's hard to get through 'til the bird on the wire flies me back to you
C(B^b) **D(C)** **G(F)**
 I'll just close my eyes and whisper baby blind love is true.

Chorus

Bridge

C(B^b) **D(C)**
 The hotel bar hangover, whiskey's gone dry
G(F)
 The barkeeper's wig's crooked and she's giving me the eye
C(B^b) **D(C)** **G(F)**
 I might have said yes but I laughed so hard I thought I'd die

Verse 4

C(B^b) **G(F)**
 Now as you close your eyes, know I'll be thinking about you
C(B^b) **G(F)**
 While my mistress she calls me to stand in her spotlight again
C(B^b) **G(F)**
 Tonight I won't be alone, but you know that don't mean I'm not lonely
E_m(D_m) **D(C)** **C(B^b)** **G(F)**
 I've got nothing to prove for it's you that I'd die to defend.

Chorus
