Author: Kinks

Intro **D** **F#m** **G** **A_{sus4}** **A** **A_{sus2}** **A**

Verse 1

Here's wishing you the bluest sky and hoping something better comes tomorrow
 Hoping all the verses rhyme and the very best of choruses to
 Follow all the doubt and sadness
 I know that better things are on their way

Verse 2

Here's hoping all the days ahead, won't be as bitter as the ones behind you
 Be an optimist instead and somehow happiness will find you
 Forget what happened yesterday
 I know that better things are on their way

Chorus I

It's really good to see you rocking out and having fun
 Living like you just begun
 Accept your life and what it brings
 I hope tomorrow you'll find better things
 I know tomorrow you'll find better things

Verse 3

Here's wishing you the bluest sky and hoping something better comes tomorrow
 Hoping all the verses rhyme and the very best of choruses to
 Follow all the doubt and sadness
 I know that better things are on their way

Chorus II

I know you've got a lot of good things happening up ahead
 The past is gone, it's all been said
 So here's to what the future brings
 I hope tomorrow you'll find better things
 I know tomorrow you'll find better things
