Author: Bruce Springsteen

Intro E E A B_{7sus4} B (riff)

Verse 1

E A B
 In the day we sweat it out on the streets of runaway American dreams
 E A B A E
 At night we ride through mansions of glory in suicide machines Sprung from cages out on Highway 9
 F#m A E
 Chrome wheeled, fuel injected and steppin' out over the line
 A E F#m A
 Oh Baby this town rips the bones from your back It's a death trap, it's a suicide rap
 E C#m A B E (riff)
 We gotta get out while we're young 'Cause tramps like us, Baby we were born to run

Verse 2

E A B
 Wendy let me in, I wanna be your friend, I want to guard your dreams and visions
 E A B
 Just wrap your legs 'round these velvet rims and strap your hands 'cross my engines
 A E F#m A E
 Together we could break this trap, we'll run 'til we drop, Baby, we'll never look back
 A E F#m A
 Will you walk with me out on the wire, 'cause Baby I'm just a scared and lonely rider
 E C#m A B E (riff)
 But I gotta find out how it feels, I want to know if love is wild, Babe, I want to know if love is real
