

# **DAYS GO BY**

Author: Keith Urban

**Intro** D Em7

## **Verse 1**

D Em7 Em7 Em7 Em7 Em7  
 I'm changing lanes and talkin' on the phone Drivin' way too fast  
 D Em7 Em7 Em7 Em7 Em7  
 And the interstate's jammed with gunners like me Afraid of coming in last  
 Em7 D/F# G  
 But somewhere in the race we run We're coming undone

## **Chorus 1**

D Em7 Em7 Em7 Em7 G D  
 And days go by I can feel 'em flying Like a hand out the window in the wind The cars go by  
 Em7 Em7 Em7 D/F# G D  
 Yeah it's all we've been given So you better start livin' right now 'Cause days go by

## **Verse 2**

Em7 Em7 Em7 D/F#  
 Out on the roof just the other night I watched the world flash by  
 Em7 Em7 Em7 D/F#  
 Headlights, tail lights running through a river Of neon signs  
 Em7 D/F# G  
 But somewhere in the rush I felt We're losing ourselves

## **Chorus 2**

D A G  
 Yeah the days go by We think about tomorrow then it slips away Oh yes it does  
 A Em7 Em7 D/F# G D Em7 Em7  
 We talk about forever but we've only got to day And days go by I can feel 'em flying  
 Em7 D/F# G D Em7 Em7  
 Like a hand out the window As the cars go by Yeah it's all we've been given  
 Em7 D/F# G  
 So you better start livin' You better start livin' You better start livin' right now

**Instrumental** D Em7 E/F# G

## **Chorus 1**

D Em7 Em7 Em7 Em7 G D  
 And days go by I can feel 'em flying Like a hand out the window in the wind The cars go by

 Yeah it's all we've been given So you better start livin' right now 'Cause days go by
