

# **EVEN THE LOSERS**

Artist: Tom Petty and the Heartbreakers

## **Intro** A

### **Verse 1**

Well it was nearly summer, sat on your roof  
 And I showed you stars you never could see

Yeah we smoked cigarettes and we stared at the moon  
 Babe it couldn't have been that easy to forget about me

### **Verse 2**

Baby, time meant nothin' anything seemed real  
 Like every word you said was meant to be

Yeah you could kiss like fire and you made me feel  
 Babe it couldn't have been that easy to forget about me

### **Chorus**

Baby even the losers Get lucky sometimes  
 Even the losers Keep a little bit of pride They get lucky sometimes

### **Bridge**

Two cars parked on the overpass Rocks hit the water like broken glass  
 Should have known right then it was too good to last  
 God, it's such a drag when you're livin' in the past

### **Chorus**

Baby even the losers Get lucky sometimes  
 Even the losers Keep a little bit of pride They get lucky sometimes

### **Chorus**

Baby even the losers Get lucky sometimes  
 Even the losers Keep a little bit of pride They get lucky sometimes

### **Outro** (Chorus to fade)
