

EVERYTIME I SEE YOUR PICTURE

Author: Luba

Verse 1

A_m **G**
In my mind, I've got it all figured out
F **A_m** **C** **G**
But the head, does not always rule the heart
A_m **G**
And I try to place her, out of body and soul
F **A_m** **C** **G**
Just when I thought I'd made it, her images start taking their toll, on me
C **F** **A_m**
I feel her memory haunting me, time and again
G **F**
I feel weak, because

Chorus 1

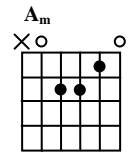

C **G** **C**
Everytime I see your picture I cry
G **F** **A_m** **C** **G**
And I learn to get over you one more time, because
C **G** **C** **G** **F**
Everytime I see your picture I cry, Oh I cry

Verse 2

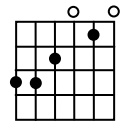

A_m **G**
There you rest inside the walls of a frame
F **A_m** **C** **G**
Hurts so bad, I can almost feel your eyes calling out my name
A_m **G**
So out of body and soul, you're everywhere I go
F **A_m** **C** **G**
Illusion or reality, I don't know
C **F** **A_m**
I feel your memory haunting me, time and again
G **F**
I feel weak, because

Chorus 2

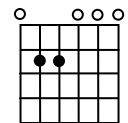

C **G** **C**
Everytime I see your picture I cry
G **F** **A_m** **C** **G**
And I want to get it on with you one more time, because
C **G** **C** **G** **F**
Everytime I see your picture I cry, Oh I cry
