Verse 2:

The falling star from the heavens whispers to your brain
 To grant your wish in a moment to help you through your falling rains
 You're a gift from the sky to the planet Earth
 A symbol that life was just given birth

Chorus 2:

Firefall, from the sky a saddened girl, can but cry
 Her only wish was denied and now all her hope has died

Chorus 3:

Firefall, from the sky you brought us life, will you watch us die
 Our fate was undecided now all we can do is try
