

HALLELUJAH

Artist: Leonard Cohen

Intro C Am C Am

Verse 1

C Am
I've heard there was a secret chord
F G C G
But you don't really care for music, do you?
Am F
The minor fall, the major lift

C Am
That David played, and it pleased the Lord
C F
It goes like this, the fourth, the fifth
G E Am
The baffled king composing Hallelujah

Chorus

F Am F
Hallelujah, Hallelujah, Hallelujah

C G C G
Hallelu jah

Verse 2

C Am
Your faith was strong but you needed proof
F G C G
Her beauty in the moonlight overthrew you
Am F
She broke your throne, and she cut your hair

C Am
You saw her bathing on the roof
C F
She tied you to a kitchen chair
G E Am
And from your lips she drew the Hallelujah

[Chorus](#)

Verse 3

C Am
Baby I've been here before
F G C G
I used to live alone before I knew you.
Am F
Love is not a victory march

C Am
I know this room, I've walked this floor
C F
I've seen your flag on the marble arch
G E Am
It's a cold and it's a broken Hallelujah

[Chorus](#)

Verse 4

C Am
There was a time when you let me know
F G C G
But now you never show it to me, do you?
Am F
The holy dove was moving too

C Am
What's really going on below
C F
And remember when I moved in you
G E Am
And every breath we drew was Hallelujah

[Chorus](#)

Verse 5

C Am
Maybe there's a God above
F G C G
Was how to shoot at someone who outdrew you
Am F
It's not somebody who has seen the light

C Am
But all I've ever learned from love
C F
It's not a cry you can hear at night
G E Am
It's a cold and it's a broken Hallelujah

[Chorus](#)

Verse 6

C Am
You say I took the name in vain
F G C G
But if I did, well, really, what's it to you?
Am F
It doesn't matter which you heard

C Am
I don't even know the name
C F
There's a blaze of light in every word
G E Am
The holy or the broken Hallelujah

[Chorus](#)

Verse 7

C Am
I did my best, it wasn't much
F G C G
I've told the truth, I didn't come to fool you
Am F
I'll stand before the Lord of Song

C Am
I couldn't feel, so I tried to touch
C F
And even though it all went wrong
G E Am
With nothing on my tongue but Hallelujah

[Chorus](#)
