

HERE COMES THE NIGHT

Author: Streetheart

Intro E A E A E A E A E B
Woah, here it comes, here comes the night Woah, here it comes, long lonely night

Verse 1
E A B E A B
I could see right out the window Walking the street, my girl, with another guy
E A B E A B
His arms around her like it used to be with me Whoa and make me wanna cry Yeah, yeah, yeah

Chorus
E A E A E A E B
Here it comes, here comes the night Here it comes, here comes the night

Verse 2
E A B E A B
And there they go, it's funny how they're looking so good together I wonder what's wrong with me
E A B E A B
Why can't I accept the fact that she's chosen him And she's left me Yeah, yeah, yeah

Chorus
E A E A E A E B
Here it comes, here comes the night Here it comes, here comes the night

Solo Whoa, whoa, whoa (Instrumental)

Verse 3
E A B E A B
She's with him, he's turned the lights down and holding her Just like I used to
E A B E A B
And I can see her closing her eyes and telling her lies Just like she told me too Yeah, yeah, yeah

Chorus
E A E A E A E B
Here it comes, here comes the night Here it comes, long lonely night

Outro E A E A E A E B
Well, here it comes, here comes the night Here it comes, long lonely night Yeah, yeah, yeah
E A E A E B
Well, here it comes, here comes the night Here it comes, long lonely night
