

HIDE IN YOUR SHELL

Author: Supertramp

Verse 1

G **E_m** **B_m** **A₉** **C**
 Hide in your shell 'cos the world is out to bleed you for a ride
A_m **F** **C**
 What will you gain making your life a little longer?
G **E_m** **B_m** **A₉** **C**
 Heaven or Hell, was the journey cold that gave you eyes of steel?
A_m **F** **C**
 Shelter behind painting your mind and playing joker

Bridge 1

B	E_m	B	E_m
Too frightening to listen to a stranger		Too beautiful to put your pride in danger	
C	F		
You're waiting for someone to understand you			
D	D_{sus4}		
But you've got demons in your closet		You've got demons in your closet	
D	D_{sus4}		
And you're screaming out to stop it		You're screaming out to stop it	
D	D_{sus4}		
Saying life's begun to cheat you		Friends are out to beat you	
C	F		
Grab on to what you can scramble for			

Chorus

D	E_m	D	E_m
Don't let the tears linger on inside now		'Cos it's sure time you gained control	
C	A_m	F	D
If I can help you, if I can help you		If I can help you, just let me know	
D	E_m	D	E_m
Well, let me show you the nearest signpost		To get your heart back and on the road	
C	A_m	F	D
If I can help you, if I can help you		If I can help you, just let me know.	

Instrumental **G** **E_m** **B_m** **A₉** **C** **A_m** **F** **C**

Verse 2

G **E_m** **B_m** **A₉** **C**
 All through the night as you lie awake and hold yourself so tight
A_m **F** **C**
 What do you need, a second-hand-movie-star to tend you?
G **E_m** **B_m** **A₉** **C**
 I as a boy, I believed the saying the cure for pain was love
A_m **F** **C**
 How would it be if you could see the world through my eyes?
