

HIGH HORSE

Author: Kacey Musgraves

Intro F Dm Am Em

Verse 1

Oh, I bet you think you're John Wayne Showing up and shooting down everybody
 You're classic in the wrong way And we all know the end of the story
 'Cause everyone knows someone who kills the buzz Every time they open up their mouth
 Yeah, everyone knows someone who knows someone Who thinks they're cooler than everybody else

Chorus 1

And I think we've seen enough, seen enough To know that you ain't ever gonna come down
 So, why don't you giddy up, giddy up And ride straight out of this town
 You and your high horse Mmmm You and your high horse Mmmm

Verse 2

I bet you think you're first place Yeah, someone should give you a ribbon
 And put you in the hall of fame For all the games that you think that you're winning
 'Cause everyone knows someone who kills the buzz Every time they open up their mouth
 Yeah, everyone knows someone who knows someone Who thinks they're cooler than everybody else

Chorus 2

And I think we've seen enough, seen enough You ain't ever gonna come down
 So, why don't you giddy up, giddy up And ride straight out of this town
 You and your high horse Mmmm You and your high horse Mmmm
