

# HIGH ROAD

Artist: Broken Bells

**Intro** Dm C G Dm

**Verse 1**

We're bound to wait all night  
 Invested enough in it anyhow  
 The garden is sorting out  
 And I don't know if I'm dead or not

She's bound to run amok  
 To each his own  
 She curls her lips on the bow  
 To anyone

**Verse 2**

Come on and get the minimum  
 This army has so many heads  
 Come on and get your overdose  
 And they want to get up in your head

Before you open up your eyes  
 To analyze  
 Collect it at the borderline

**Chorus**

'Cause they know and so do I  
 A detour to your new life

The high road is hard to find  
 Tell all of your friends goodbye

**Verse 3**

The dawn to end all nights  
 A break from the warfare in your house  
 A soldier is bailing out  
 And I don't know if the dead can talk

That's all we hoped it was  
 To each his own  
 And curled his lips on the bow  
 To anyone

**Verse 4**

Come on and get the minimum  
 This army has so many hands  
 Come on and get your overdose  
 And they want to get up in your head

Before you open up your eyes  
 Are you one of us  
 Collect it at the borderline

**Chorus**

'Cause they know and so do I  
 A detour to your new life

The high road is hard to find  
 Tell all of your friends goodbye

**Bridge (twice)**

It's too late to change your mind

You let laws be your guide

**Outro**

It's too late to change your mind

You let laws be your guide (repeat, fade out)
