Verse 1

When I look into your eyes
 Or a beautiful sunrise
 And just like them old stars
 To be right where you are

It's like watching the night sky
 Well there's so much they hold
 I see that you've come so far
 How old is your soul

Chorus 1

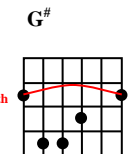

Well, I won't give up on us
 I'm giving you all my love

Even if the skies get rough
 I'm still looking up

Verse 2

And when you're needing your space
 I'll be here patiently waiting

To do some navigating
 To see what you find

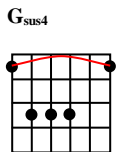

Chorus 2

'Cause even the stars they burn
 We've got a lot to learn

Some even fall to the earth
 God knows we're worth it No I won't give up

Bridge

I don't wanna be someone
 I'm here to stay and make the difference
 Our differences they do a lot to teach us how to use the tools and gifts we got
 And in the end, you're still my friend at least we did intend for us to work
 We didn't break, we didn't burn, we had to learn, how to bend without the world caving in
 I had to learn what I got, and what I'm not And who I am

Chorus 3

I won't give up on us
 I'm giving you all my love

Even if the skies get rough
 I'm still looking up Still lookin' up
