

JUST OLDER

Author: Bon Jovi

Intro D G A D

Verse 1

Hey man, it's been awhile Do you remember me?
When I hit these streets I was seventeen
A little wild, a little green I've been up and down and in between
After all these years of miles and memories
I'm still chasing dreams But I ain't looking over my shoulder

Chorus

I like the bed I'm sleepin' in It's just like me it's broken in It's not old, just older
Like a favorite pair of torn blue jeans This skin I'm in it's alright with me
It's not old, just older

Verse 2

It's good to see your face You ain't no worse for wear
Breathin' that California air
When we took on the world When we were young and brave
We got secrets that we'll take to the grave
And we're standing here shoulder to shoulder

Chorus

I like the bed I'm sleepin' in It's just like me it's broken in It's not old, just older
Like a favorite pair of torn blue jeans This skin I'm in it's alright with me
It's not old, just older

Bridge 1

I'm not old enough to sing the blues But I wore the holes in the soles of these shoes
You can roll the dice 'til they call your bluff But you can't win until you're not afraid to lose

Bridge 2

Well, I look in the mirror, I don't hate what I see
There's a few more lines staring back at me The nights have grown a little colder
Hey man, I gotta run, now you take care
If you see Coach T., tell him I cut my hair I've kept my faith, I still believe I'm just...

Chorus
