Outro **D** **B_m** **G** **D**

G **D**
Ah ah ah ah, ah ah ah

Make the stars look like they're not shining
Falls perfectly without her trying
And I tell her everyday

When I compliment her she won't believe me
Sad to think she don't see what I see
Do I look okay, I say

B_m
There's not a thing that I would change
G₂ **D**
Just the way you are
B_m
The whole world stops and stares for awhile
G₂ **D**
Just the way you are

I could kiss them all day if she'd let me
She hates but I think it's so sexy
And I tell her everyday

You know I'd never ask you to change
Then just stay the same
If you look okay, you know I'll say

B_m
The way you are
G₂ **D**
Just the way you are
