## Verse 1 - NMN

D  
Jocko says yes and I believe him  
She hasn't got the faith or the guts to leave him  
You're driven back in time to places you've been to  
You know you been wrong but it won't be long

When we talk about the things I say  
When they're standing in each other's way  
You wonder what you're gonna find  
Before you leave 'em all far behind

## Chorus - NMN

G7(B7) D7(F#7)  
'Cause it's the new Mother Nature takin' over  
G7(B7) D7(F#7)  
It's the new Mother Nature takin' over

G7(B7) D7(F#7)  
It's the new splendid lady come to call  
C(E) D(F#) C(E) D(F#)  
She's getting' us all She's getting' us all

## Verse 2 - NMN

D  
Jocko says no when I came back last time  
No use callin' 'cause the sky is fallin'  
A smoke filled room in a corner basement  
A bag of goodies and a bottle of wine

It's lookin' like I lost a friend  
It's getting' pretty near the end  
The situation must be right  
We're gonna get it on right tonight
