NO SURRENDER

Author: Bruce Springsteen

Intro   F   C   B♭   B♭   F   C   B♭   B♭

Verse 1

       F   C
Well we busted out of class, had to get away from these fools
        B♭   F   C
We learned more from a three minute record, baby, than we ever learned in school
      F   C
Tonight I hear that neighbourhood drummer sound, I can feel my heart begin to pound
        B♭   F   C
You say you're tired and you just want to close your eyes and follow your dreams down

Chorus

     F   C   B♭   F   B♭   C   F
Well, we made a promise, swore we'd always remember, no retreat, baby, no surrender
    F   C   B♭   F   B♭   C   F
Like soldier's on a winter's night with a vow to defend, no retreat, baby, no surrender.

Verse 2

                                   C
Well now young faces grow sad and old and hearts of fire grow cold
   B♭   F   C
We swore blood brothers against the wind, I'm ready to grow young again
    F   C
I hear your sister's voice calling us home from across the open yard
B♭   F   C
Maybe we'll find someplace of our own with these drums and these guitars

Chorus

     F   C   B♭   F   B♭   C   F
Well, we made a promise, swore we'd always remember, no retreat, baby, no surrender
    F   C   B♭   F   B♭   C   F
Like soldier's on a winter's night with a vow to defend, no retreat, baby, no surrender.

Bridge 1

F   C
Lay lay lay lay lay lay,   Lay lay lay lay lay lay
F   B♭
Lay lay lay lay lay lay,   Lay lay lay lay lay lay
F   C
Lay lay lay lay lay lay,   Lay lay lay lay lay lay
B♭   C
Lay lay lay lay lay lay,   Lay lay lay lay lay lay

Verse 3

      F   C
Well on the streets tonight, the light's growing dim, the walls of my room are closing in
        B♭   F   C
There's a war outside still raging, you say it ain't ours anymore to win
        F   C
I want to sleep beneath the peaceful skies, in my lover's bed
        B♭   F   C
With that wide open country in our eyes and those romantic dreams in our heads

Chorus

     F   C   B♭   F   B♭   C   F
Well, we made a promise, swore we'd always remember, no retreat, baby, no surrender
    F   C   B♭   F   B♭   C   F
Like soldier's on a winter's night with a vow to defend, no retreat, baby, no surrender.
