OLD TIME ROCK AND ROLL

Author: Bob Seger

Intro G C D G

Verse 1

G C
Just take those old records off the shelf, I'll sit and listen to them by myself
D G
Today's music ain't got the same soul, I like that old time rock and roll
C
Don't try to take me to a disco, you'll never even get me out on the floor
D G
In ten minutes I'll be late for the door, I like that old time rock and roll

Chorus

G C
Still like that old time rock and roll, that kind of music just soothes the soul
D G
I reminisce about the days of old, with that old time rock and roll

Verse 2

G C
Won't go to hear 'em play a tango, I'd rather hear some blues and funky old soul
D G
There's only one sure way to get me to go, start playing old time rock and roll
C
Call me a relic, call me what you will, say I'm old fashioned, say I'm over the hill
D G
Today's music ain't got the same soul, I like that old time rock and roll

Chorus

G C
Still like that old time rock and roll, that kind of music just soothes the soul
D G
I reminisce about the days of old, with that old time rock and roll

Chorus

G C
Still like that old time rock and roll, that kind of music just soothes the soul
D G
I reminisce about the days of old, with that old time rock and roll
