

# ONE HEADLIGHT

Author: Wallflowers

**Intro** G D F# Bm

## Verse 1

G D F# Bm  
So long ago, I don't remember when That's when they say I lost my only friend  
G D  
Well they said she died easy of a broken heart disease  
F# Bm  
As I listened to through cemetery trees  
G D F# Bm  
I seen the sun comin' up at the funeral at dawn The long broken arm of human law  
G D  
Now it always seemed such a waste, she always had a pretty face  
F# Bm G D F#  
I wondered why she hung around this place Hey-hey -hey!

## Chorus

G D  
Come on try a little Nothing is forever  
Em A  
There's got to be something Better than in the middle  
G D  
Me and Cinderalla We put it all together  
Em A G D F# Bm G D F# Bm  
We can drive it home With one headlight

## Verse 2

G D F# Bm  
She said it's cold, feels like Independence Day And I can't break away from this parade  
G D  
But there's got to be an opening, somewhere here in front of me  
F# Bm  
Through this maze of ugliness and greed  
G D F# Bm  
I seen the sign up ahead, at the county line bridge Sayin' all there's good and nothingness is dead  
G D  
Well she ran until she's out of breath, she ran until there's nothin' left  
F# Bm G D F#  
She hit the end, it's just her window ledge Hey-hey -hey!

## Chorus

### Verse 3

G D F# Bm  
Well this place is old, it feels just like a beat up truck I turn the engine, but the engine doesn't turn  
G D  
Well it smells of cheap wine and cigarettes, this place is always such a mess  
F# Bm  
Sometimes I think I'd like to watch it burn  
G D F# Bm  
I'm so alone, and I feel just like somebody else Man, I ain't changed, but I know I ain't the same  
G D  
But somewhere here in between these city walls and dyin' dreams  
F# Bm G D F#  
I think her death it must be killin' me Hey-hey-hey-hey!

## Chorus
