

PARADISE BY THE DASHBOARD LIGHT

Author: Meat Loaf

Intro D

Verse 1

Well I remember every little thing as if it happened only yesterday
Parking by the lake and there was not another car in sight
And I never had a girl looking any better than you did
And all the kids at school the were wishing they were me that night

Pre-Chorus 1

And now our bodies are oh so close and tight It never felt so good, it never felt so right
And we're glowing like the metal on the edge of the knife, glowing like the metal on the edge of the knife
C'mon! Hold on tight! C'mon! Hold on tight!

Chorus

Girl Though it's cold and lonely in the deep dark night I can see paradise by the dashboard light
Ain't no doubt about it, we were doubly blessed, 'Cause we were barely seventeen and we were barely dressed
Ain't no doubt about it, baby got to go out and shout it, Ain't no doubt about it, we were doubly blessed

Boy 'Cause we were barely seventeen and we were barely dressed

Verse 2

Baby doncha hear my heart you got it drowning out the radio
I've been waitin' so long for you to come along and have some fun
And I gotta let ya know, know you're never gonna regret it
So open up your eyes, I got a big surprise, it'll feel alright, Well I wanna make your motor run

Pre-Chorus 1

Chorus

Though it's cold and lonely in the deep dark night I can see paradise by the dashboard light
Oh, it's cold and lonely in the deep dark night Paradise by the dashboard light

Verse 3

You got to do what you can and let Mother Nature do the rest
