Author: Ron Davison – 20 (July 2011)

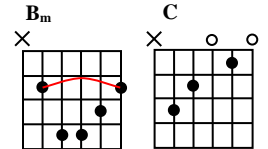

Intro C G D F

Verse 1

C	G	D	F	C	G	D	F	C
I'm finding it hard to just be friends	To wake up each day and have to pretend							
G	D	F	C	G	D	F	C	
That I'm something I'm not, the feelings won't stop	Asking can you lose something already lost							

Chorus 1

B _m	G	D	B _m	G	D
Oh it feels like I'm lost in a Quantum love	Wish I was two places at one time				
B _m	G	D	B _m	G	D
Feels just like Schrodinger's cat again	Don't know if I'm dead or alive				

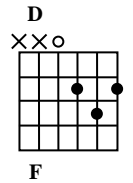

Verse 2

C	G	D	F	C	G	D	F	C
Now I'm crushed in the gravity well, produced by your love	Weird strangelets trapped in time, you're all I think of							
G	D	F	C	G	D	F	C	
Drifting past your eye's event horizon	Nothing can escape, not once you've let it in							
G	D	F	C	G	D	F	C	
That sweet smile always pulling me in	The twinkle in your eyes, it's so mesmerizin'							
G	D	F	C	F	C			
Formulas don't work	It's just mass confusion							
G	D	F	C	G	D			
Goin' super nova	Fuelled with stellar fusion							

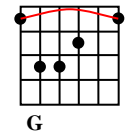

Chorus 2

B _m	G	D	B _m	G	D
And it feels like I'm lost in a Quantum love	The laws of classic physics don't apply				
B _m	G	D	B _m	G	D
Feels like she is my personal black hole	I couldn't escape if I tried				

Bridge

C	G	D	F	C	G	D
You're my singularity, my final destination	My orbit decaying in a strange cosmic dance					
C	G	D	F	C	G	D
What new multiverse, is your ultimate intention	'Cause, God doesn't roll dice or play games of chance					

Verse 3

C	G	D	F	C	G	D	F	C	G	D
Now I'm drifting in between the Quarks and Higg's Bosons	There's no light to light the way through this particle ocean	I'm lost without Newton's Laws of Motion	Trying to decipher these entangled emotions							
G	D	F	C	G	D	F	C	G	D	

Chorus 3

B _m	G	D	B _m	G	D
Yeah it feels like I'm lost in a Quantum love	Paralyzed by my own Uncertainty Principles				
B _m	G	D	B _m	G	D
Feels colder than a Bose-Einstein condensate	Without you here by my side				

Outro

B _m	G	D	B _m	G	D	B _m	G
Lost in a Quantum Love	It feels like I'm lost in a Quantum Love	Lost in a Quantum Love					
B _m	G	D	B _m	G	D		
Feels like I'm lost again	The dark matter confused in my brain						
B _m	G	D	B _m	G	D		
A dark energy feeding my pain	Yeah it feels like I'm lost..., lost again
