Intro F#m

Verse 1

F#m

I've been drivin' all night, my hands wet on the wheel
 There's a voice in my head that drives my heel
 It's my baby callin', says I need you here And it's a half past four and I'm shifting gear

Pre-Chorus 1

E	B	F#	E	B	F#
When she gets lonely, and the longing is too much	She sends a cable coming in from above				
C#	Don't need a phone at all

We've got a thing that's called Radar Love				We've got a wave in the air			Radar Love

The radio's playing some forgotten song Brenda Lee's "Coming On Strong"
 The road has got me hypnotized And I'm speeding into a new sunrise

When I get lonely, and I'm sure I've had enough	She sends her comfort comin' in from above				
C#	Don't need a letter at all

We've got a thing that's called Radar Love				We've got a line in the sky			Radar Love

No more speed, I'm almost there Gotta keep cool now, gotta take care
 Last car to pass, here I go And the line of cars drove down real slow

 And the newsman sang his same song One more Radar Lover gone
