Her open heart

The soft echo of the rain

She said she liked

Because the rain

A7 D D<sub>sus4</sub> D  
Falling on her silent face

For a way, in a voice as quiet as the night

Walking in the rain

Hides her tears

The rain, so mild

It'll listen to your private thoughts

A friend when no one cares

And wipe your tears

Because the rain hides your tears

The rain will end

And as I watch

As you watch

The sun will shine

And the tears will dry

A smile crosses your face

E B  
The rolling clouds slowly fade away

**Verse 3**

B<sub>m</sub>  
You said you liked

E  
Because the rain

B<sub>m</sub>  
I hope

A  
To finally

A  
Now I like walking in the rain

A  
Walking in the rain

B<sub>m</sub>  
Hides your tears

E B<sub>m</sub>  
You have the strength

E B<sub>m</sub>  
Conquer your fears

Because the rain hides my tears

I like walking in the rain
