

SAD SONGS

Author: Elton John

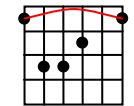

Intro C F G C C F G C

Verse 1

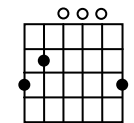

Guess there are times when we all need to share a little pain
And ironing out the rough spots Is the hardest part when memories remain
And it's times like these when we all need to hear the radio
`Cause from the lips of some old singer We can share the troubles we already know

F

G

Chorus

Turn them on, turn them on Turn on those sad songs
When all hope is gone Why don't you tune in and turn them on
They reach into your room Whoa, ooh, oh, just feel their gentle touch
When all hope is gone Sad songs say so much

Verse 2

If someone else is suffering enough aw to write it down
When every single word makes sense Then it's easier to have those songs around
The kick inside is in the line that finally gets to you
And it feels so good to hurt so bad And suffer just enough to sing the blues

Bridge

Sad songs they say Sad songs they say
Sad songs they say Sad songs they say so much

Chorus

So, turn them on, turn them on Turn on those sad songs
When all hope is gone Why don't you tune in and turn them on
They reach into your room Whoa, ooh, oh, just feel their gentle touch
When all hope is gone Sad songs say so much
When all hope is gone Sad songs say so much
