Chorus

We're running with the shadows of the night
Surrender all your dreams to me tonight

I said you can't hide on the inside
Ransom my heart, but baby don't look back

We're running with the shadows of the night
Surrender all your dreams to me tonight

You know that sometimes, it feels like
Use every alibi and words you deny
You can cry tough baby, it's alright

Chorus

We're running with the shadows of the night
Surrender all your dreams to me tonight

Chorus

We're running with the shadows of the night
Surrender all your dreams to me tonight

Bridge 1

And now the hands of time are standing still

Chorus

We're running with the shadows of the night
Surrender all your dreams to me tonight

Outro B F# E F# B

So baby take my hand, it'll be all right
They'll come true in the end

When you keep it all to yourself
All the pain you've ever felt
'Cause we got nobody else

So baby take my hand, it'll be all right
They'll come true in the end

It's all moving way too fast
That love ain't meant to last
You can let me down easy, but not tonight

So baby take my hand, it'll be all right
They'll come true in the end

So baby take my hand, it'll be all right
They'll come true in the end

Midnight angel, won't you say you will

So baby take my hand, it'll be all right
They'll come true in the end
