Go on and close your eyes	Go on imagine me there
$A$	
She got similar features	With longer hair

And if that's what it takes	To get you through

**G**  
You never had to wait for nothing in your life

**B<sub>m</sub>**  
I guess wanting you must have been a steel blue knife

**G**  
And when night after night the scent of passion would linger

**B<sub>m</sub>**

**C** **D**  
Now you keep running down the road in your midnight state of mind

**C** **D**

Dancing with the wall made you bitter sweet

**B<sub>m</sub>**  
There ain't much you can do when they just lay it at your feet

**G**  
But could you tell by the song I wanted to be the one

**B<sub>m</sub>**  
Did you listen again when the damage was done

**C** **D**  
Now the paint's still wet in your do-it-by-number dream
