Intro **E_m**
Verse 1

E_m
Never feared for anything   Never shamed but never free
  G   **D**   **B_m**   **C**
A light that healed a broken heart   With all that it could
E_m
Lived a life so endlessly   Saw beyond what others see
  G   **D**   **B_m**   **C**
I tried to heal your broken heart   With all that I could

Pre-Chorus 1
C   **D**
Will you stay   Will you stay away forever

Chorus 1
E_m   **G**   **A_m**   **E_m**   **D**
How do I live without the ones I love   Time still turns the pages of the book, it's burned
E_m   **G**   **A_m**   **C**   **D**
Place and time, always on my mind   I have so much to say but you're so far away

Verse 2
E_m
Plans of what our futures hold   Foolish lies of growing old
  G   **D**   **B_m**   **C**
It seems we're so invincible   But the truth is so cold
E_m
A final song, a last request   A perfect chapter laid to rest
G   **D**   **B_m**   **C**
Now and then I try to find   A place in my mind

Pre-Chorus 2
      C   **D**
Where you can stay   You can stay awake forever

Chorus 1

Sleep tight   I'm not afraid   The ones that we love are here with me

Lay away   A place for me   'Cause as soon as I'm done, I'll be on my way to live eternally
