

SOMEBODY LIKE YOU

Author: Keith Urban

Intro E

Verse 1

There's a new wind blowin' like I've never known I'm breathing deeper than I've ever done
 And it sure feels good to finally feel the way I do And I wanna love somebody, love somebody like you

Verse 2

And I'm lettin' go of all my lonely yesterdays I've forgiven myself for the mistakes I've made
 Now there's just one thing, the only thing I wanna do I wanna love somebody, love somebody like you

Chorus

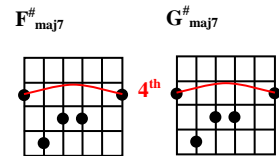

Yeah I wanna feel the sunshine Shinin' down on me and you
 When you put your arms around me Ya let me know there's nothin' in the world I can't do

Verse 3

I used to run in circles, going nowhere fast I'd take one step forward, end up two steps back
 I couldn't walk a straight line, even if I wanted to I wanna love somebody, love somebody like you

Verse 3

Sometimes it's hard for me to understand But you're teaching me to be a better man
 I don't want to take this life for granted like I used to do
 No, I wanna love somebody, love somebody like you I'm ready to love somebody, love somebody like you
 I wanna love somebody, love somebody like you

Outro E (fade out)
