Author: Led Zeppelin

Intro C D F A_m C G A_m

Verse 1

There's a lady who's sure All that glitters is gold
 And she's buying a Stairway to Heaven
 When she gets there she knows If the stores are all closed
 With a word she can get what she came for And she's buying a Stairway to Heaven

Verse 2

There's a sign on the wall But she wants to be sure
 'Cause you know sometimes words have two meanings
 In a tree by the brook There's a songbird who sings
 Sometimes all of our thoughts are misgiven

There's a feeling I get When I look to the west And my spirit is crying for leaving
 In my thoughts I have seen Rings of smoke through the trees
 And the voices of those who stand looking

And it's whispered that soon If we all call the tune Then the piper will lead us to reason
 And a new day will dawn For those who stand long And the forests will echo with laughter

Verse 5

A_m G F G A_m G F G
 And as we wind on down the road Our shadows taller than our souls
 There walks a lady we all know Who shines white light and wants to know
 How everything still turns to gold And if you listen very hard
 The tune will come to you at last To be a rock and not a roll
