I was working through college C# F# G#

 She was thirsting for knowledge C# G#

 One restless summer we found love growing wild C# F#
 On the banks of the river on a well beaten path G# F#
 It's funny how those memories they last G# F#

Like strawberry wine, seventeen C# G#
 The hot July moon saw everything A#m F#
 My first taste of love, was bittersweet C# G#
 Green on the vine, like strawberry wine A#m F# C#

I still remember C# F# C#
 When thirty was old G#
 My biggest fear was September C# F# C#
 When I had to go G#

Bridge 2

A few cards and letters and one long distance call C# F#
 We drifted away like leaves in the fall G# F#
 But year after year I come back to this place
 Just to remember the taste

Of strawberry wine, seventeen C# G#
 The hot July moon saw everything A#m F#
 My first taste of love, was bittersweet C# G#
 Green on the vine, like strawberry wine A#m F# C#

Bridge 3

The fields have grown over, years since they've seen the plows, there's nothing time hasn't touched D#m
 Is it really her, or the loss of my innocence A#m C#
 I've been missing so much, yea-eah G# C#

Chorus 3

Strawberry wine, seventeen C# G#
 The hot July moon saw everything A#m F#
 My first taste of love, was bittersweet C# G#
 Green on the vine, like strawberry wine A#m F# C#
