Of anything in this world

A decent melody

In my own company

These tears are going nowhere, baby

A E/G#
The colours that you bring

They left you with nothing
A E/G#
By the light you brought to me
A E
And through your eyes I can see

F#m F#7 A
To worry like you do, oh,oh,oh

Of what you don't really need now... my oh my

You've got stuck in a moment and you can't get out of it

You've got yourself stuck in a moment and you can't get out of it

The water is warm 'til you discover how deep

It's a long way down to nothing at all

B C#m A E
And if the day won't last
G#/C C#m A E
Along the stony pass

This time will pass
