Verse 1

A_m G
Hot town, summer in the city
D/F#   F   E
Back of my neck getting dirty and gritty
A_m G
Been down, isn't it a pity
D/F#   F
Doesn't seem to be a shadow in the city

Bridge 1

E $E_7{}^{dom}$
All around, people looking half dead
A_m A A_7
Walking on the sidewalk, hotter than a matchhead

Chorus

D   G   D   G
But at night it's a different world, go out, go out, and find a girl
D   G   D   G
Come-on come-on, dance all night, despite the heat it'll be alright
     B_m E B_m E
And Babe, don't you know it's a pity, that the days can't be like the nights
     B_m E B_m E
In the summer, in the city, in the summer, in the city

Verse 2

A_m G
Cool town, evening in the city
D/F#   F   E
Dressing so sharp and looking so pretty
A_m G
Cool cat, looking for a kitty
D/F#   F
Gonna look in every corner of the city

Bridge 2

E $E_7{}^{dom}$
'Til I'm wheezing, at a bus stop
A_m A A_7
Running up the stairs, gonna meet you at the rooftop

But at night it's a different world, go out, go out, and find a girl
D   G   D   G
Come-on come-on, dance all night, despite the heat it'll be alright
     B_m E B_m E
And Babe, don't you know it's a pity, that the days can't be like the nights

In the summer, in the city, in the summer, in the city
