

# **TAKE IT TO THE LIMIT**

Author: Eagles

## **Verse 1**

**C** All alone at the end of the evening and the bright lights have faded to blue  
**C** I was thinking about a woman who might of loved me and I never knew  
**C** You know I've always been a dreamer, spent my life running 'round  
**C** And it's so hard to change, can't seem to settle down, but the dreams I've seen lately  
**F** Keep on turning out and burning out and turning out the same

## **Chorus**

**F** So put me on a highway, and show me a sign  
**F** And take it to the limit, one more time

## **Verse 2**

**C** You can spend all your time making money and you can spend all your love making time  
**C** But if it all fell to pieces tomorrow, would you still be mine?  
**C** And when you're looking for your freedom, nobody seems to care  
**C** And when you can't find the door, can't find it anywhere and there's nothing to believe in  
**F** Still you're coming back, you're running back, you're coming back for more

## **Chorus**

**F** So put me on a highway, and show me a sign  
**F** And take it to the limit, one more time **(repeat 1 time)**  
**F** Take it to the limit (come on and)  
**F** Take it to the limit (you gotta)  
**F** And take it to the limit, one more time **(repeat 2 times)**
