Each of these	My three babies	I will carry with me
C F	C F	C F C
For myself	I ask no one else will be	Mother to these three

C F	C F	C F C
Water and feed	Are not tools that I need	For the thing that I've chosen to be

In my soul	My blood and my bones	I have wrapped your cold bodies around me

The face on you	The smell of you	Will always be with me

Each of these	My three babies	I was not willing to leave

Though I tried	I blasphemed and denied	I know they will be returned to me
C F	C F	C F C
Each of these	My babies	Have brought you closer to me
C F	C F	C F C
No longer mad like a horse	I'm still wild but not lost	From the thing that I've chosen to be

Chorus

C F	G C F	G C F C
And it's 'cause you've thrilled me	Silenced me, stilled me	Proved things I never believed

The face on you	The smell of you	Will always be with me
