

TWENTY-NINE PALMS

Author: Robert Plant

Verse 1

A fool in love A crazy situation Her velvet glove
Knocks me down and down and down and down (3 quick staccato strums of an E_m)
A kiss of fire A loaded invitation Inside her smile
She takes me down and down and down and down (no riff through this part – starts at the E_m)

Bridge 1

Ahhh ahh ahh ah Ahhh ahh ahh ah Ahhh ahh ahh ah

Verse 2

Her moves looked good A touch of desperation From where I stood
She turned my head around and round and round (no riff through this part – starts at the E_m)

Bridge 2

Ahhh ahh ahh ah Ahhh ahh ahh ah Ahhh ahh ahh ahh ahh ahh ahh

Chorus

It comes down hard When I hear your voice on the radio
Leading me back down that road That leads back to you
Twenty-nine Palms I feel the heat of your desert heart
Leading me back down that road That leads back to you

Verse 3

A burnin' love Strange infatuation White cold, cold touch
What must I do and do and do and do (3 quick staccato strums of an E_m)
The heat and the dust Increased my desolation And got me trapped
Always for you and you and you and you (no riff through this part – starts at the E_m)

Bridge 2

Ahhh ahh ahh ah Ahhh ahh ahh ah Ahhh ahh ahh ahh ahh ahh ahh

Chorus

It comes down hard When I hear your voice on the radio
Leading me back down that road That leads back to you
Twenty-nine Palms I feel the heat of your desert heart
Leading me back down that road That leads back to you
