Artist: Joe Cocker

**Intro** D G D G

## Verse 1

D G  
Who knows what tomorrow brings  
D G  
All I know, is the way I feel  
Em A  
The road is long  
C A  
But we climb them a step every day

D G  
In a world, few hearts survive  
D G  
When it's real, I keep it alive  
D G  
There are mountains in our way

## Chorus

D G  
Love'll lift us up where we belong  
D G  
Love'll lift us up where we belong

Em C  
Where the eagles fly on a mountain high  
Em C  
Far from the world we know, where the clear winds blow

## Verse 2

D G  
Some hang on to used to be  
D G  
All we have is here and now  
Em A  
The road is long

But we climb them a step every day

Live their lives, looking behind  
D G  
All our lives out there to find  
D G  
There are mountains in our way

## Chorus

D G  
Love'll lift us up where we belong

Love'll lift us up where we belong
