Some days are diamonds

Then fade away

I'll get you back some day

## **Chorus**

A<sup>#</sup> F  
'Cause you've got a heart so big

And I can't hold on forever

It could crush this town  
C F  
Even walls fall down

## **Verse 2**

F  
And all around your island  
A<sup>#</sup>  
It keeps out the danger  
F  
Sometimes you're happy  
A<sup>#</sup>  
Half of me is ocean

There's a barricade  
C  
It holds in the pain  
D<sub>m</sub>  
Sometimes you cry  
C  
Half of me is sky

## **Chorus**

A<sup>#</sup> F  
'Cause you've got a heart so big  
G D<sub>m</sub>  
And I can't hold on forever

A<sup>#</sup> F  
It could crush this town  
C F  
Even walls fall down

## **Verse 3**

And some things are over  
A<sup>#</sup>  
And part of me you carry

Some things go on  
C  
Part of me is gone

## **Chorus**

A<sup>#</sup> F  
'Cause you've got a heart so big  
G D<sub>m</sub>  
And I can't hold on forever

Even walls fall down
