

WE BELONG

Author: Pat Benatar

Verse 1

D
Many times I've tried to tell you
D
Always I'm surprised how well you
E_m
Don't want to leave you really
E_m
To give you up that easy

G
Many times I've cried alone
G
Cut my feelings to the bone
D **G**
I've invested too much time
A **D**
To the doubts that complicate your mind

Chorus

G
We belong to the light
D **G**
We belong to the sound of the words
D **G**
Whatever we deny or embrace
A₇ **D** **G** **A**
We belong, we belong, we belong together

A
We belong to the thunder
A
We've both fallen under
A
For worse or for better

Verse 2

D
Maybe it's a sign of weakness
D
Maybe I just wouldn't know
E_m
Have we become a habit
E_m
Now there's no looking forward

G
When I don't know what to say
G
What to do with my strength anyway
D **G**
Do we distort the facts
A **D**
Now there's no turning back, when you say

Chorus

G
We belong to the light
D **G**
We belong to the sound of the words
D **G**
Whatever we deny or embrace
A₇ **D** **G** **A**
We belong, we belong, we belong together

A
We belong to the thunder
A
We've both fallen under
A
For worse or for better

Verse 3

D
Close your eyes and try to sleep now
D
Clear your mind and do your best
E_m
We can't begin to know it
E_m
I hear your voice inside me

G
Close your eyes and try to dream
G
To try and wash the palette clean
D **G**
How much we really care
A **D**
I see your face everywhere, still you say

Chorus
