Intro B<sub>m</sub> G

## Verse 1

She put him out like the burning end of a midnight cigarette  
A D G A  
She broke his heart, he spent his whole life trying to forget  
B<sub>m</sub> A D  
We watched him drink his pain away a little at a time  
B<sub>m</sub> A D A  
But he never could get drunk enough to get her off his mind Until tonight

## Chorus

He put the bottle to his head and pulled the trigger And finally drank away her memory  
D A B<sub>m</sub> A G  
Life is short but this time it was bigger Than the strength he had to get up off his knees  
D A B<sub>m</sub> A G  
They found him with his face down in the pillow With a note that said I'll love her 'til I die  
D A G B<sub>m</sub>  
And when we buried him beneath the willow The angels sang a whiskey lullaby
