Author: Harry Nilsson (Badfinger)

## **Intro** E

### **Verse 1**

No, I can't forget this evening  
A  
But I guess that's just the way  
C#m  
You always smile but in your eyes

Or your face as you were leaving  
C#m  
A<sup>b</sup>  
The story goes  
A  
Your sorrow shows E  
Yes it shows B

### **Verse 2**

No, I can't forget tomorrow  
E  
A  
When I had you there  
C#m  
And now it's only fair

When I think of all my sorrow  
C#m  
A<sup>b</sup>  
But then I let you go  
A  
that I should let you know E  
What you should know B

### **Chorus**

I can't live, if living is without you  
E C#m  
I can't live, if living is without you  
E C#m  
I can't give, I can't give anymore  
A B  
I can't give, I can't give anymore  
A B

### **Verse 1**
