

# **WORLD ON FIRE**

Author: Sarah McLachlan

**Intro** Am G F C

**Verse 1**

F G C Dm Am F C  
 Hearts are worn in these dark ages You're not alone in this story's pages  
 Am G F C Dm F  
 The light has fallen amongst the living and the dying And I'll try to hold it in, yeah I'll try to hold it in

**Chorus**

Am G F C G Am F  
 The world's on fire, it's more than I can handle I'll tap into the water and try to bring my share  
 Am G F C G Am F  
 I'll try to bring more, more than I can handle I'll bring it to the table, I'll bring what I am able

**Verse 2**

F G C Dm Am F C  
 I watch the heavens but I find no calling Something I can do to change what's coming  
 Am G F C Bb F  
 Stay close to me while the sky is falling I don't wanna be left alone, don't wanna be alone

**Chorus**

Am G F C G Am F  
 The world's on fire, it's more than I can handle I'll tap into the water and try to bring my share  
 Am G F C G Am F  
 I'll try to bring more, more than I can handle I'll bring it to the table, I'll bring what I am able

**Bridge**

Dm C F C G  
 Hearts break, hearts mend, love still hurts Visions clash, planes crash, still there's talk of  
 Dm C Bb  
 Saving souls, still the cold's closing in on us

**Instrumental** Am G F C (4 times)

**Bridge**

Am G F C Am G F C  
 We part the veil on our killer sun Stray from the straight line on this short run  
 Am G F C Am G F C  
 The more we take the less we become The fortune of one man means less for some

**Instrumental** Am G F C G Am F (2 times)

**Chorus**

Am G F C G Am F  
 The world's on fire, it's more than I can handle I'll tap into the water and try to bring my share  
 Am G F C G Am F  
 I'll try to bring more, more than I can handle I'll bring it to the table, I'll bring what I am able

**Chorus**

Am G F C G Am F  
 The world's on fire, it's more than I can handle I'll tap into the water and try to bring my share  
 Am G F C G Am F  
 I'll try to bring more, more than I can handle I'll bring it to the table, I'll bring what I am able

**Outro** (fade out)
