Verse 3 (same as V1):

These feelings I have for you and I can you feel them too, oh, they make me high
Can there ever be a time for you and I

Verse 4 (same as V2):

No, I can't predict what the future holds whatever happens can't be foretold
But I know I'll still always have you and I

Chorus 2:

Yeah, you'll always hold a special place in my heart a sacred chamber where these feelings start
And I know that somehow, somewhere, some way; girl, I'll make my way back to you

Outro:

E B C#m A
You and I, oh, oh, you, you , you and I
E B A E
Oh, can there ever, ever be a you and I
