**Outro** Fade out

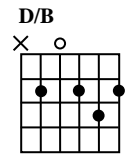

A B<sub>m</sub>  
I can feel the years crawling through my skin  
E<sub>m</sub> A  
To cover the tears of this aging game

A B<sub>m</sub>  
I don't miss a beat of your animal heart  
E<sub>m</sub> A  
Cover a mountain with the palm of my hand

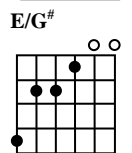

A  
You could rewrite, you could decide  
C B E<sub>m</sub>  
You could look at me in the scheme of things

Oh, oh, oh Babe, you can make history young .... again

A B<sub>m</sub>  
I can recollect the hearts hanging out to dry  
E<sub>m</sub> A  
I can hear lost youth ringing in my ears

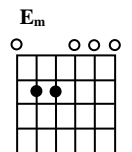

D E<sub>m</sub>/D  
But I lost nothing when I gained you  
F<sup>#</sup> B<sub>m</sub>  
When you run your fingers down my spine  
A B<sub>m</sub>  
You just blew me away with yesterday's news  
E<sub>m</sub> A  
It's like throwing a switch on the hands of time

D D/B E<sub>m</sub>  
And oh Babe, you can make history young again  
D  
The things that should or shouldn't have been  
D/A E/G<sup>#</sup> G A D  
Oh, oh, oh Babe, you can make history young .... again

**Intro** D B<sub>m</sub> E<sub>m</sub> C G/A **Again** D B<sub>m</sub> E<sub>m</sub> C G/A

G A/G

If I knew then what I know now  
D G  
Got a way of coming around  
D B<sub>m</sub> C A  
I'd make it back to you somehow

D D/B E<sub>m</sub> A  
And oh Babe, you can make history young again  
D C B E<sub>m</sub>  
The things that should or shouldn't have been  
D/A E/G<sup>#</sup> G A D
